OGDEN NEWS.

OGDEN, JULY 25, 1900.

CELEBRATION OF THE 24TH

Amusements and Attractions Galore—Lester Park and Glenwood.

Fire Destroys a Barn on Quincy Street Loss \$150—Zimmerman Wherry Nuptials.

Pioneer day yesterday was a time to be remembered by the people of Ogden, who turned out by the thousands at the various places of pleasure.

The Fourth ward celebration at Lester park was a grand success socially and financially. From early morning until midnight it was thronged with people. The morning exercises in the pavilion were appropriate and the program was a delightful and the oration of Sam B. Roberts was most interesting.

The speaker reviewed the pilgrimage of the honored pioneers from the state of New York to the state of Utah, and of their heroic and noble efforts in making a desert into a fertile valley.

Hon. D. H. Peery spoke upon the work of President Brigham Young and compared him to Moses of old in leading the people out of bondage into the promised land.

The afternoon exercises at the park were enjoyed. The races were run by William Bramwell, Richard Greenwell, George Chodlow and James Greenwell. It was won by Bramwell, distance, 100 yards, time, 12 seconds. The greased pole was won by a boy named Stone, time, 12 seconds.

The burlesque ball game between the Whites and the Blues was won by the Whites in a score of 10 to 7.

The day's pleasure at Lester park closed with a grand ball in the pavilion during the evening which was largely attended.

Mrs. Glenwood was one of the merriest places to be found yesterday. The amusement had spared no pains in obtaining various attractions for the day, and the public showed their appreciation of the same by over 7,000 visiting the park.

The Cecilia concert under the direction of Prof. Coop was a great drawing card in the afternoon and one in the evening. At the evening musical Miss Nanna Tout, Ogden's favorite, sang a most beautiful solo which was encored and loudly applauded.

Many went up Ogden canyon to spend the day, and enjoy trout and chicken dinner and the grandeur of nature, and a grand ball was given last evening at the Hermitage.

WORK OF THE FIRE.

The fire department was called out last evening about 10 o'clock to a fire in the middle of the block between Quincy avenue and Twenty-second street. A barn belonging to a man named Stone was burned to the ground; loss about \$150. The department made a good run but the barn had nearly burned down when they arrived. It could not be learned whether the property was insured or not.

ZIMMERMAN-WHERRY NUPTIALS.

Dr. S. Wherry, the popular dentist of this city, was married yesterday to Miss Cornelia Zimmerman of Lawrence, Kansas, at the home of the bride's parents. Mr. and Mrs. Wherry will return to Ogden in a few weeks.

PROVO.

OLD FOLKS' EXCURSION.

Taken to Heber and Given a Day of Enjoyment.

Special Correspondence.

Provo, July 24.—In accordance with previous announcement, a train of thirteen Pullman coaches left Ogden for Provo at 8:40 a. m., and returned at 8:40 p. m., with the Ogden and Provo and suburban wards, their relatives and friends. Frequent

stops were made till the mouth of the canyon was reached, to take up veterans and friends.

The ride up through the canyon was full of interest to the old folks. Stops were made at the Telluride power plant station, at the South Fork, and at the Upper Fall resort, where many of Provo's citizens were en camped. At Charleston the band was playing and the citizens were in force to welcome the old people to Provo valley.

At 11 a. m. the train reached Heber, and here commenced the grand and liberal hospitality of the citizens of Wasatch county. Carriages, busses and vehicles of every description were immediately at work conveying the throng of visitors, both old and young, to the fine tabernacle and its beautiful shady grounds. Awnings and seats were prepared beneath the shade of the trees; bunting and flags were in profusion. As the people neared the gate frequent interruptions would occur, as the old folks were recognized, and handshaking and kindly greetings were exchanged.

Inside the tabernacle, President Hatch was greeting and welcoming all he could reach, assisting in seating his guests, his genial greeting making all feel at ease in the beautiful rock built tabernacle. When the seating was completed, the program was commenced. President Hatch delivered the address of welcome.

The visitors were next taken to Turner's hall where they were joined by the old folks of the valley. Seats were set at the six long, well laden tables and full honor to the occasion, waited upon by the ladies of Heber.

Father Harrison of Provo was the old man, with a record of 94 years, while Mr. Anderson of Salt Lake, who for Heber with her 92 years.

Upon assembling again in the tabernacle, the fine program was continued. Prest. Partridge of Utah State, spoke at some length, and referred to the trying times of the early settlement in contrast with the prosperity now enjoyed by the people of Utah. A number of musical selections and a recitation followed.

Apostle Reed Smoot next addressed the assembly. He said he had much respect for those who honored old age, irrespective of caste, religion, or color. Continually he paid a tribute of praise and respect to the pioneers, and hoped that the birthday of Utah, the 24th of July, would be held in remembrance by the citizens of the great commonwealth.

A selection by the Boshard and Pyne brothers, the duet by Mrs. Jaspersen and John T. Roberts, was much enjoyed by all. The program was well rendered and much appreciated.

Andrew Jensen of the central committee of old folks also addressed the audience.

Mrs. Ramsey rendered a selection in fine style, and after a hearty vote of thanks to the good people of Heber, Prest. Hatch pronounced the benediction.

At 6 p. m. the train left Heber, bearing the old folks to their homes in the valley below. No accident occurred to mar the enjoyment of the day. The train service was rendered in a manner that added to the pleasure of the occasion. The old folks were generally carried to the old folks over 20 free, and made a special rate of 75 cents for others for the round trip from Provo.

LOGAN.

Harvest of the Grim Reaper—Divorce Case—Wedding Chimes.

Special Correspondence.

Logan, Cache County, July 23.—On Saturday morning Mr. W. W. Nelson, one of Pocatello's prosperous merchants, died in this city from internal troubles. Mr. Nelson had suffered for many years with the ailment which grew so serious that about two months ago he was brought to Logan for medical treatment, and was at the residence of his mother here when he died. A post mortem examination was held upon request and the cause of death was ascertained to be enlargement of the liver. Nelson was a Later-day Saint and funeral services over his remains will be held in the Second ward meeting house on Wednesday at 2 p. m.

Another death from internal causes occurred at Wellsville Sunday morning, when, at 2 o'clock a. m., Wm. H. Jones, after suffering intensely for two weeks, succumbed to the grim reaper. A post mortem examination was also held in this case. It was discovered that the late intestines were perforated in two places and three or four intestinal tumors were found. Funeral services were held in Wellsville today. Deceased leaves a wife and four children and a host of friends to mourn his loss.

DIVORCE AND OTHER CASES.

Before Judge Hart today Mary Lea was granted a divorce from Wm. Lea, also the custody of the child, one-half of the property, and the fee and restoration to her maiden name of Mary Baugh.

Dortea Sorenson vs Niels Nielsen: order was made setting aside deed upon payment by plaintiff to defendant of the sum of \$150. The amount paid out by the latter. This is the case in which Mrs. Sorenson, who cannot read English, claims she was induced to sign a warranty deed to certain property in Logan by defendant upon pretense that the instrument was a mortgage on the property, and she sued to have the deed annulled.

WEDDING BELLS.

The following couples secured permission to wed from the county clerk today: Lovell G. Davis, 26, and Lucy M. Twissell, 25, both of Logan; Lorus Allen, 22, and Martha Hansen, 20, both of Paradise; Jon H. Hansen, 20, and Kate Hendricks, 21, both of Logan; James D. Cousins, 25, of Preston, and Zina Sorenson, 26, of Logan; Justice W. X. Thomas married the three first named couples and County Clerk Owen the last named.

SPANISH FORK.

Festivities and Commemorative Exercises in Honor of Pioneers.

Special Correspondence.

Spanish Fork, Utah Co., July 24.—Never in the annals of Spanish Fork on any public day has there been a greater throng, a more orderly gathering than on this Pioneer day. A strong, well selected committee of ardent workers working in harmony under the instructions of their competent organizer, Mr. George Jex, made the day a memorable one. Early in the morning for some hours the K. O. M. band serenaded the throng. A. M. P. Y. A. but now principal of the Springville district schools, was one of the leading speakers, and Bishop George D. Allen, a prominent veteran, the other. In the afternoon the reviewed the past history of Utah; the achievements wrought, the dangers met, the fortitude and heroism displayed by the founder and builders of our common-

wealth. Some excellent singing and reciting were interwoven and all was pleasantly and worthily executed.

In the afternoon, from two to four, a musical concert of much merit gave the best of satisfaction. A special feature of the program was a song by the Williams family, which elicited a tremendous encore and round after round of applause, after the response.

Immediately after the concert, prizes were given to the mother having the prettiest babe, the one having the largest family, the oldest married couple married at Spanish Fork, the sweetest looking bachelor, the oldest person present born here, the best penmanship from boy and girl of seven years of age, together with others too numerous to mention. Shortly afterwards bicycle races, baseball games and other sports were indulged in.

The proceedings closed with a grand ball at the pavilion, and Spanish Fork feels proud of the manner its people enjoyed the last Twenty-fourth of the century.

LEHI.

Pioneer Day Celebration a Success in Every Particular.

Special Correspondence.

Lehi, Utah Co., July 25.—The Twenty-fourth celebration passed off according to program, and was a huge success in every particular, and especially the parade, which was far beyond the expectations of the people. Much credit is due the committee for getting up such a day's entertainment. Hundreds of people from the adjacent towns came to Lehi and spent the day. The baseball match between Draper and the Bankers of Salt Lake resulted in a 2 to 1 victory for the Bankers. The day wound up with a dance in the new pavilion which was so crowded that it made dancing almost impossible.

KAYSVILLE.

Pioneer Day Fittingly Observed by the Citizens.

Special Correspondence.

Kaysville, Davis Co., July 24.—Pioneer day was celebrated here in an appropriate manner. The recent showers having laid the dust, the celebration was held in a more pleasant manner. The music hall and the school grounds adjoining were selected and arranged by the committee for the exercises.

The most prominent features of the interesting program were a speech by Prof. Brimhall of the Brigham Young Academy of Provo, visited Sunnyside and organized the Sunnyside ward with Elder John Potter as Bishop, B. M. V. Good, as first, and Samuel Naylor, as second counselors, and Albert E. McMullin, ward clerk and recorder; a Sunday school, Relief Society, Primary association, and Young Ladies' Mutual improvement association, were also organized. Apostle Taylor, Prof. Brimhall made some very instructive remarks on the duties of the various officers and the responsibility of the officers they were called to fill.

The Sunnyside ward is taking steps to build a new hall, and in the future, a committee has been appointed to look after funds and report having collected over \$400 for this purpose. The mines are working steadily, the output of coal at present being from 600 to 800 tons per day, which will be steadily increased.

General Manager Sharp of the Pleasant Valley Coal company was at Sunnyside Friday, making an inspection of the mines.

Yesterday morning the fan engine which ventilates the mine, broke, causing a close down of the mine until the necessary repairs can be made, which will take till Monday and probably Tuesday.

Bert Moses, a miner of Sunnyside, and Debora Hanson, of Wellington, took out a marriage license and were married last evening at Wellington by Justice Blackburn.

The 24th will be celebrated by giving the children a good time, a committee having been appointed for that purpose.

David Crow, mine foreman of Castle gate mine, is active as mine foreman at the mines during the absence of Robert Crow, who is at Price arranging matters pertaining to his office of county clerk. Mr. Howard intends to move his family to Sunnyside.

Judge Johnson was at Sunnyside Friday and naturalized about thirty persons, nearly all of whom were Italians and Austrians.

R. A. Kirker reports the road from the asphalt mines to Sunnyside as being nearly completed, and says they will be able to haul the asphalt in 20 tons of asphalt to Sunnyside, where it will be shipped by rail and tested, and if the test is satisfactory, more will follow.

Twenty Years for Murder—Sheepmen and Cattlemen at Outs.

Rawlins, Wyo., July 23.—William Foley, the man who killed William O'Connor in a dance hall at Kemmerer last fall, and who was convicted of murder in the second degree here last week, has been sentenced to a term of twenty years at hard labor in the State penitentiary at Laramie. His attorneys have taken an appeal to the Supreme court.

CATTLE MEN ON THE RAMPAGE.

A report was received here last night from the southern part of the county which stated that a band of masked and well-armed cattlemen of Routt county, Colo., took possession of a band of sheep owned by Hetzler & Rivera of this place, and after killing upward of seventy head drove the balance of the band across the State line into Wyoming, and scattered the animals in all directions. The owners have gone to the scene. Particulars of the trouble are hard to obtain, and it is not known whether the herders were harmed by the irate cattlemen or not.

BAKER CITY, OREGON.

Little Girl Lost in the Mountains for Eighteen Days.

Baker City, Oregon, July 19.—Little Anderson, a thirteen-year-old girl, who lives with her parents near Rye Valley, recently strayed away from her home, and was found after eighteen days wandering near Lookout mountain.

The girl subsisted upon a diet of berries and wild fruit, and had been rescued was but a mere skeleton. Her mental capacities had also departed, either through fright or privation or exposure, but it is said she is fast gaining her mind, since being rescued and taken home.—Baker City (Or.) Republican.

Eureka, July 25.—This morning the men to the number of about one hundred went up to the mine, but Manager Allen emphatically refused to permit them to enter upon the company's premises. The refusal was made in the presence of the officers of the law and being firm and dignified, was acceded to by the men who returned to their work, where they are growing and reaping their time checks. There was no trouble of a violent character today and none is anticipated.

Light frost occurred in the elevated sections of Blaine, Bear Lake, and Owyhee counties on the 23rd. High, drying winds prevailed in the central and east-

ern counties. No rain fell in any section, and water in streams and ditches is falling rapidly.

CROPS.

Grain and Grass.—Harvest of spring grain is in progress, with weather conditions favorable; in parts of Canyon county the crop is in the stack; a good yield is reported where sufficient water has been available for irrigation, but in the "dry farm" sections and where there has been a scarcity of water, the crop is light.

The scarcity of water in many localities in the eastern counties is seriously retarding the growth of alfalfa, and the second crop promises only a light yield.

Range grass has become very dry, and, though in most sections stock conditions to do well, cattle are growing thin in a few localities, and in some parts of Bear Lake county are suffering for lack of water.

Gardens.—The frost of the 19th caused slight injury to potatoes and garden vegetables in some elevated districts of the southeastern counties, but the damage was not general. Gardens are in excellent condition where there has been sufficient water. Green corn is in the field in the southwestern sections.

Fruit.—Blackberries, early apples, and peaches are abundant in the southwestern valley districts; there is a large crop of wild berries in the northern counties; blackberries are large and of excellent flavor; in Canyon county, Italian prunes are reported as dropping from the trees, but otherwise the fruit prospect continues bright. Watermelons and cantaloupes are in market in the Payette and Snake river valleys.
